AM&AA Overview

The Alliance of Merger & Acquisition Advisors® (The Alliance) is the Premiere International Organization serving the educational and transactional support needs of middle market M&A professionals worldwide.

Founded in 1998, and now owned by Five Star Global, LLC, the Alliance has grown to over 1,000 members in 17 countries.

Alliance Members represent corporate and institutional sellers and buyers of businesses ranging broadly from \$5 to \$500 million in transaction value.

Membership growth led to the establishment of Regional Alliance Chapters as a local resource for networking, education, marketing, developing professional opportunities, and thought leadership.

There are currently 20 U.S. based Regional Alliance Chapters and one European Chapter. The New England Chapter was founded in November 2014.
